

22 November 2017
Nippon Wealth Limited, a Restricted Licence Bank
Representative Executive : CEO Tsutomu Nakajima

Announcement of the Completion of its Capital Increase

OJBC Co. Ltd, the holding company of Nippon Wealth Limited, a Restricted Licence Bank (hereinafter referred to as NWB, CEO Tsutomu Nakajima), is pleased to announce the completion of its capital increase in the amount of 10 Million US Dollar (Approximately 77 Million Hong Kong Dollar). The new capital was contributed by its existing shareholders as well as a new third party for the purpose of further expansion of NWB's business.

NWB's business continues to grow since its inception two years ago. OJBC's shareholders unanimously approved the capital increase in order to further strengthen NWB's financial position and enhance its business and market share.

OJBC welcomes Miroku Jyoho Service Co., Ltd. (hereinafter called MJS) to become its new shareholder and look forward to strengthen business alliance with MJS and all shareholders for mutual benefits. MJS is a leader in accounting software services in Japan. With Shinshei Bank remaining its primary shareholder, OJBC's shareholders include ten prominent companies in their respective business sectors both in Hong Kong and Japan. NWB will continue to offer "Wealth management services with global standard", "Japanese quality of services" and "A sense of security" as a platform for private wealth management out of Hong Kong, which is Asia's top wealth management center.
